SCPwD Advisory for The Affiliated Assessment Agencies (AA)

- All of the SCPwD assessments should be conducted online (no pen and paper) through "Dual Certified Assessors" (Certified from the domain SSC as well as from SCPwD on "Disability Sensitization") only. SCPwD can't bear the malpractices or avoidance of any SCPwD guidelines from any assessors or the affiliated Assessment Partners.
- Since the proctors will be working for the assessments of Persons with Disability, so they should also be sensitized through a certification on "Disability Orientation & Sensitization" from SCPwD.
- All of our Assessment Partners should follow the SCPwD guidelines and best practices including TAT. any discrepancies, loopholes and unfair practices would neither be expected nor any excuses would be entertained

Kindly note that AA should adhere to this advisory along with other SCPwD guidelines and should not lose sight of:

- A. Code of Ethics and Integrity Framework –
