

A M ENGINEERS

Company Profile

A M ENGINEERS is established in year of 2012 and has been constituted with the objective of introducing professional and systematic approach of skill development in the Skill Development Sector using an innovative and collaborative approach.

Our endeavor is to reach out to the youth in rural and semi urban areas and empower them with livelihood opportunities using skill development. In this quest we are focused to develop innovative solutions to constraints like regional content, industry experienced faculty, industry linkages, placements and standard processes. The urge to provide solution to these constraints in an affordable manner to the skill development sector along with development of efficient and long term sustainable business led to the initiative called as **A M Engineers**

A M ENGINEERS is affiliated and authorized training partner of PMKVY and various **Sector Skill Councils** set up by National Skill Development Corporation, **Govt. of India**
