## Training for transformation in the skill sets

## **RAGC BACKGROUND**

Rustomjee Academy for Global careers (RAGC), was established in the year 2008 with the aim to provide vocational training to deserving students from the lower economic strata of the society equipping them with skills that will give them employment. In the short span, we have successfully enabled employment opportunity for more than 25,000+ young men and women by developing skills in the areas of:

1. Electrical
2. Automobile Technology
3. Construction
4. Hospitality & Health Care
5. Business-HR & Management

Rustomjee Academy for Global Careers has developed a successful model for the skill development by setting up vocational training facilities, getting expert instructors and providing exposure to real life scenarios for the training and tying up with industry to allow for jobs access to our students. This is what makes Rustomjee Academy for Global Careers' vocational training program a success story. We have successfully partnered with the government in a PPP model in this mission along with boards likes MSBVVE, Pearson, YCMOU and National Skill Development Corporation to bring another 1,00,000 youth to be 'Industry Ready'.

Bagged Gold medal at India Skill 2018 title for Electrical Installation and qualified for world skill competition at Kazan, Russia-2019

### **Vision**

To give a generation of Indian World-class skill-sets, go beyond mere employment opportunities, create an entrepreneurial spirit and promise them a better future.

### **Mission:**

Skill over Five Lakh youth to be employable and coach them to become Entrepreneurs.
